

SPP/APR Indicator C-8 (Early Childhood Transition)

Probe Questions

Common Indicator Probe Questions

- 1. Do you have new data or new information that is more current than the data shown on your Strand Report? If so, what do the data show?
- 2. How does your performance level compare to the State target?
- 3. Do the data vary significantly based on the child's race/ethnicity?
- 4. Do the data vary significantly based on the child's age?
- 5. Do the data vary significantly based on a child's Early On eligibility category?
- 6. Does the performance level reflect a **systemic** problem (e.g., it involves multiple providers, personnel changes, or processes), or is it **clustered** in specific providers or groups of children?
- 7. Have the data shown any significant changes over time?

Indicator-Specific Probe Questions

- 8. General Questions:
 - a. Were there issues pertaining to personnel availability?
 - b. Do you have enough (or enough available) resources in the community to serve the children?
 - c. Can you get the families to participate in the transition process? If not, why not?
- 9. After completing the checklist form (see required activities), answer the following question:
 - a. In instances where "no" was entered for "exceptional family circumstances" and a transition plan was not developed or a transition conference was not held at least 90 days, but no more than 9 months, prior to the child's third birthday, what reasons were attributed to not meeting the timeline?
- 10. **After completing the checklist**, use the data from your checklist **and other sources** to answer the following questions:
 - a. What categories of eligibility are you servicing? (Use Michigan Student Data System [MSDS] data to answer the question.)
 - b. Where do the children live whose transition plans or transition conferences were late? (Use MSDS data to answer the question.)

- c. Are there geographic/demographic/cultural or language barriers/ considerations/obstacles to providing services? (Use MSDS data to answer the question.)
- d. How many qualified personnel service your area? (Use REP data and MSDS data to answer the question.) Do *Early On* providers from Early Head Start, Head Start, Public Health, and Community Health show up on these reports?
- e. Is there a problem getting the local education agency to participate in the transition conference for children who are potentially eligible for Special Education services under Part B 619?
- f. What are your scheduling practices?
- g. How do your scheduling practices affect your provider's ability to develop timely transition plans and hold timely transition conferences?
- h. What are your documentation practices?
- i. Do you keep a contact log? Is this in the child's file?
- j. Do you have a pattern of not meeting a timeline between June and August?
- 11. Use the answers from the review of your data to draw conclusions about the following:
 - a. Do you have sufficient personnel servicing Part C in your service area? Why or why not?
 - b. What is your caseload per service provider?
