MEMORANDUM

DATE: June 1, 2023

TO: Local and Intermediate School District Superintendents
Public School Academy Directors

FROM: Dr. Scott M. Koenigsknecht, Deputy Superintendent 
P-20 System and Student Transitions

SUBJECT: Intermediate School Districts Determination Requirements under Part B of the Individuals with Disabilities Education Act

The federal Individuals with Disabilities Education Act (IDEA) of 2004 established reporting requirements under [Section 600 of the Regulations](#), to mandate states to publicly report on the performance of each intermediate school district (ISD) and local education agencies, both traditional public school districts and public school academies, and make annual determinations of the extent to which the agencies are meeting the purposes and requirements of IDEA. Most of the data used to make these determinations corresponds to the [State Performance Plan indicators](#) as required by Office of Special Education Programs (OSEP) of the U.S. Department of Education (USED).

States are required to use the following categories outlined in IDEA to determine the status of each special education program:

- Meets the purposes and requirements of Part B of the Act,
- Needs assistance in implementing the requirements of Part B of the Act,
- Needs intervention in implementing the requirements of Part B of the Act, or
- Needs substantial intervention in implementing the requirements of Part B of the Act.

A detailed process of the elements and indicators that the Michigan Department of Education's Office of Special Education used to assign determination categories to each ISD serving students with an Individualized Educational Plan (IEP) is available as a link on the June 2023 "Reports" page in Catamaran. Determinations will be issued in the July 2023 release of Catamaran.

We appreciate district efforts to improve results for students with IEPs and look forward to continuing our work with you. Please contact Teri Rink, director of the Michigan Department of Education's Office of Special Education at rinkt1@Michigan.gov, if you have any questions.
