

SPP/APR Indicator C-7 (Timeliness of IFSPs)

Probe Questions

Common Indicator Probe Questions

- 1. Do you have new data or new information that is more current than the data shown on your Strand Report? If so, what do the data show?
- 2. How does your performance level compare to the State target?
- 3. Do the data vary significantly based on the child's race/ethnicity?
- 4. Do the data vary significantly based on the child's age?
- 5. Do the data vary significantly based on a child's Early On eligibility category?
- 6. Does the performance level reflect a **systemic** problem (e.g., it involves multiple providers, personnel changes, or processes), or is it **clustered** in specific providers or groups of children?
- 7. Have the data shown any significant changes over time?

Indicator-Specific Probe Questions

- 8. General Questions:
 - a. When are you requesting health status information? (e.g., if your health status is the reason that you are running late, when are you making the health status request?)
 - b. Are sufficient numbers of evaluators/examiners on hand to conduct and interpret required evaluations? If not, why not?
 - c. Are you able to complete hearing or vision reports with a health professional? If not, are you using the State's checklists?
 - d. Is there a pattern of timeliness across service coordinators? Are there sufficient service coordinators to meet the timelines?
 - e. What are your practices for scheduling the Individualized Family Service Plan (IFSP) meetings?
 - f. How do you track the elapsed time to meet the 45-day timeline?
 - g. Are you missing timelines because of difficulty in connecting with parents/quardians (i.e., "exceptional family circumstances" issues)?
 - h. When a referral is made, and contact with the family is not possible, are you closing the referral (as opposed to leaving it open hoping to make later contact with the family)?
- 9. After completing the checklist form (see required activities), answer the following question:

- a. In instances where "no" was entered for "exceptional family circumstances" not met within 45 days, what reasons were attributed to not meeting the timeline?
- 10. **After completing the checklist**, use the data from your checklist **and other sources** to answer the following questions:
 - a. What types of categories of eligibility are you servicing? (Use Michigan Student Data System [MSDS] data to answer the question.)
 - b. Where do the children live whose IFSPs were late? (Use MSDS data to answer the question.)
 - c. Are there geographic/demographic/cultural or language barriers/ considerations/obstacles to providing services? (Use MSDS data to answer the question.)
 - d. How many qualified personnel service your area? (Use SRSD REP data and MSDS data to answer the question.) Do *Early On* providers from Early Head Start, Head Start, Public Health, and Community Health show up on these reports?
 - e. What are your scheduling practices?
 - f. How do your scheduling practices affect your provider's ability to determine eligibility and provide timely IFSPs?
 - g. What are your documentation practices?
 - h. Do you keep a contact log? Is this in the child's file?
 - i. Do you have a pattern of not meeting a timeline between June and August?
 - 11. Use the answers from the review of your data to draw conclusions about the following:
 - a. Do you have sufficient personnel servicing Part C in your service area? Why or why not?
 - b. What is your caseload per service provider?
