

Michigan Educational Worksheet for Coding Educational Environments

Child's First Name _____ Child's Last Name _____

Date of Birth ____/____/____ Unique Identification Code (UIC) ____/____/____/____/____/____/____/____/____/____/____/____

- Use the following decision rules to determine the appropriate educational environment category for an individual child, age 3-5, who is NOT enrolled in kindergarten for any portion of the instructional day. **Check only ONE BOX**
- The order of the categories as listed on the table for reporting children with disabilities ages 3-5 does *not* reflect a continuum from least to most restrictive.

Enrollment	Attendance	MSDS Code	Description
<p>Regular Early Childhood Program (RECP)</p> <p><i>(Less than 50% of the children enrolled in the program have an active IEP)</i></p>	<p>Attends for 10 hours or more per week</p>	<input type="checkbox"/> 46	≥10 Hours/Supports within Program: Child is enrolled in a RECP for 10 hours or more per week <i>and</i> is receiving the majority of special education and related service minutes are alongside peers within the RECP.
		<input type="checkbox"/> 47	≥10 Hours/Supports in Other Location: Child is enrolled in a RECP for 10 hours or more per week <i>and</i> is receiving the majority of special education and related service minutes are provided in a location other than alongside peers within the RECP.
	<p>Attends for less than 10 hours per week</p>	<input type="checkbox"/> 48	<10 Hours/Supports inside Program: Child is enrolled in a RECP for less than 10 hours per week <i>and</i> is receiving the majority of special education and related service minutes are provided alongside peers within the RECP.
		<input type="checkbox"/> 49	<10 Hours/Supports in Other Location: Child is enrolled in a RECP for less than 10 hours per week <i>and</i> is receiving the majority of special education and related service minutes are provided in a location other than alongside peers within the RECP.
<p>Special Education Program</p> <p><i>(50% or more of the children enrolled in the program have an active IEP)</i></p>	<p>Attends only a Special Education Program</p>	<input type="checkbox"/> 22	Separate Class: Child attends a special education program in a class with less than 50% nondisabled children. Do not include children who also attended a regular early childhood program. <i>(Mark this category even if the child also receives special education services in the home or in the service provider location or some other location.)</i>
		<input type="checkbox"/> 26	Separate School: Child receives education programs in public or private day schools designed specifically for children with disabilities. Do not include children who also attended a regular early childhood program. <i>(Mark only this category even if the child also receives special education services in the home or in the service provider location or some other location)</i>
		<input type="checkbox"/> 25	Residential Facility: Child receives education programs in publicly or privately operated residential schools or residential medical facilities on an inpatient basis. <i>(Do not include children who also attended a regular early childhood program.)</i> Mark this category even if the child <u>also</u> receives special education services in the home or in the service provider or some other location.
<p>No Program</p> <p><i>(Child has an active IEP, but is not enrolled in a Regular Early Childhood Program or a Special Education Program)</i></p>	<p>Does NOT attend a Regular Early Childhood or Special Education Program</p>	<input type="checkbox"/> 23	Home: Child receives special education and related services in the principal residence of the child's family or caregivers and attends neither a Regular Early Childhood Program nor a special education program provided <i>(The term caregiver includes babysitters.)</i>
		<input type="checkbox"/> 27	Service Provider/Other Location: Child does not attend a RECP or special education program and receives special education and related services at a provider or other location <i>(For example, speech therapy provided in private clinicians' offices or hospital facilities on an outpatient basis.)</i>
